

Anti-Theft Battery Bracket

Protect Your Reefer Battery – Protect Your Investment

Features and Benefits

- Anti-theft bracket provides added security and the peace-of-mind that your investments are protected
 - Secures reefer battery within unit frame – saves on battery replacement costs associated with theft
 - Protects the reefer’s starting power source, helping to ensure load temperature safety
- Easy to install
 - One piece, welded steel construction mates tightly with reefer unit frame
 - Coated with durable frame-matched powder paint
 - Designed to prevent contact with the battery cables
- Compatible with the following Carrier units:
 - X2/X4 Series
 - Vector™ 6500/6600, 8500/8600MT
 - Ultra™ XL, XT, XTC
 - Ultima™ XTC
 - Extra™, Extra XT
 - Genesis™ TM900 and TM1000
- Readily available at your local Carrier Transicold® Dealer
