

# Re-Flex

## INSULATED BULKHEAD

### DESIGN & MATERIALS

Choosing the right bulkhead shouldn't be a compromise. The Re-Flex® offers:

- A 3" closed-cell core.
- Integrated **ArmorPly** flexible impact liner.
- Heat-welded seams that seal out moisture and bacteria.
- Zero fasteners in the impact zone.
- High visibility orange.

◀ Re-Flexibility

▲ A standard hinged Re-Flex® with two logistics straps.

### EASY HANDLING

The design and materials of the Re-Flex® give it exceptional durability. The first thing you'll notice however, is the weight. The **Re-Flex® is the lightest bulkhead in the industry... period!**

- Easy on loaders.
- Easy on drivers.
