

# Toughboy

TRACK MOUNTED & PORTABLE

## DESIGN & MATERIALS

- The Toughboy is the only rigid, load bearing bulkhead available.
- Available with or without walk-thru door. Door can be located on curbside, roadside, or center of the bulkhead.
- Includes spring loaded locking pins to secure bulkhead into logistic track.
- Ribbed, Armorlite® Composite, USDA Approved surface for extra air circulation.
- Durable track system that can be quickly installed.

▶ With the bulkhead in the up position, loading and unloading is unobstructed.

## Toughboy QUICK INFO

- Ideal for dairy and truck body applications
- Excellent thermal properties
- Optional Xtras: adjustable vents, 2 temp fan kit, custom sizing, and many other extras
